Vijayawada / Guntur New AP Govt. Choice Capital:

The main agendas would be creation of assets for the new state, including building a world-class capital on the lines of Hyderabad.

Experts feel that Mr Naidu would prefer Vijayawada-Guntur as the area is not only centrally-located but also well-developed.

With Vijayawada becoming the next capital of New Andhra Pradesh its just apt to own your asset now ! before it becomes beyond affordability ! The prices are certainly going to spiral upwards with the demand for land in this new destination is already in great demand.
